

*NAD Exercise*

***Early Morning Flight  
Activity  
September 11, 2001***

---

Attached assessment is as of July 14, 2003 and is an initial analysis based on unclassified radar data and available NIMA-issue maps. It is not a finished product and is subject to change as additional material becomes available. It is not to be shared outside the Commission.

**Committee  
Sensitive**
